Worship will continue to be held online (until further notice). Please let us know if you are having difficulty joining in for Worship.

Pennies for Hunger Challenge Donation! Glenn and Kathy Mitchell issued a challenge to our church family to match our donations to Pennies for Hunger up to \$1,000!! Thank you to them for this bold way to call our attention to such a critical ministry in Salem Presbytery that helps hungry people near and far have enough food to eat. **MANY THANKS** to those who have already answered the challenge by contributing to Pennies for Hunger! **So far, we have donated over \$2,000 in response to this challenge!**

The 1st quarter edition of These Days are in the Narthex and hallway for you to pick up. These devotionals are provided for our church family in memory of Bill White.

CHURCH DIRECTORY INFORMATION

The Church Session has decided that we are long overdue for a pictorial directory for our church. We are going to undertake this project "pandemic style"! Please help us by following these directions to be included:

Our church directory will include EVERYONE... folks who have not joined us officially but are important parts of our church family, church members, children, etc. Please complete this form for your information to be included in our new church directory. This will be a great asset for us to keep in touch and become more familiar with names and faces for newcomers. If you are uncomfortable completing the form yourself, please call an Elder or Pastor Paul and we can fill it in with the information you provide over the phone. The information you submit comes directly to Pastor Paul so that he and Alicia can format it for the directory.

If your household includes adult children, please encourage them to make their own entry. If this is not practical, they may of course be included in yours. It does, however, make it easier to keep up with our adult children of the church when they move for college/work if they have their own directory entry. It helps us send birthday cards and such to the correct places. Month and Day are requested for birthdays and anniversaries so that we can send cards from the church and include on our monthly newsletter calendars, but will not be included in the directory.

We would also like to include photos of as many of us as possible. This will require some creativity, but we hope that many will take "selfies" for their directory photo. If you need assistance with this, please let Pastor Paul know or ask a close family member or friend to help you. Paul will be glad to stop by and take a photo of you outdoors at your home using his long camera lens to keep well distanced. If you are able to take a selfie photo, please do it in a well-lit area so that your faces have plenty of light on them, not behind them. There is a place at the bottom of the form to attach your photo or you may email them to Pastor Paul at tayprespastor@hotmail.com.

Let's try to get this accomplished by the end of January. Let us know if we can help you.
